

AUSTRALIAN HOUSE HUNTERS

Lic No.1274954 ABN 60 393 755 987

To whom it may concern

Australian House Hunters are a buyer's agent company that operates throughout Australia. We have been in business for over 4 years and part of our service is to provide the client with Building and Pest reports. Over our years in business we have experienced many levels of service, pricing and report quality from inspectors, some of which left a lot to be desired.

Recently we were recommended to use James and I am glad we were. The quality, service and pricing were exceptional. I would not hesitate to say, one of the best in Australia and believe me I have seen a lot.

We have continues to use James and will do so without hesitation in the future.

Warm Regards
